

THINK SHARP!

A free community service for the collection of home-generated needles, syringes, and lancets.

FRIDAY, MAY 2
11 A.M. – 1 P.M.

Beaumont Medical Center, West Bloomfield
6900 Orchard Lake Road
(south of Maple Road)

All needles, lancets and syringes must be placed in rigid containers with lids. Acceptable containers are soda pop bottles with screw on caps, laundry detergent bottles with caps and coffee cans with lids. The lids help prevent unnecessary and possibly dangerous puncture wounds to health care and waste disposal workers. **"Loose" needles, syringes and lancets will not be accepted.**

For more information call Patti Morton, Environmental Services, at 248-898-0634.
